President's Message continued from pg1

consider the longevity of any organization, but despite it all we are all committed in making this organization grow and move ahead.

We had to make some tough decisions this year, and continued to embrace our diverse opinions while learning to agree to disagree and still maintain our respect for one another. I sincerely thank every board member who served in this organization, for their time and commitment.

I would like to recognize the following board members:

Barbara Beall, Samantha Bond, Debbie Denton, Beth Eppley, Karen Gangel, Barbara Heineken, Amy Kurella, Haley Maple, and Laura Rehbein.

In addition I would like to thank Heather Delafield, Karen Koch, and Paula Stahel, for their participation. And of course, a huge thank-you to Eleanor Hubbard, not only for her help during my year but all she's devoted to NEW for so very many years.

The changing of the guard takes place in September and I am fully confident that our new board members will continue to move this organization ahead.

To the very special friends I have made during my tenure, I thank you for your kindness and your encouraging words when things got a little crazy.

Thomas Jefferson is quoted for having said: "But friendship is precious not only in the shade, but in the sunshine of life, and thanks to a benevolent arrangement the greater part of life is sunshine." I so agree, and thank NEW for being part of the sunshine.
