Monthly Board Meeting

Wednesday, May 15th, noon–1 p.m.
Forizs & Dogali PL, 4301 Anchor Plaza Parkway, Suite 300

President's Message continued from pg1

Mark your calendars for a special Brew Crew Too wine tasting on the 30th, hosted by our very own Barbara Heinken. If you haven't had the opportunity to attend a soirée at the Heineken residence, you simply must do so. Also, don't miss the NEW Brew Crew that meets on the morning of the first Thursday each month. I attended in April and was able to get great advice on many areas of my personal and professional life while also connecting with the others. It's such a great way to start a day, particularly when the time commitment is minimal!

In June we have our annual member meeting. In addition to addressing necessary budget and bylaw issues, you will learn tools to employ immediately in receiving more benefits of membership. July will be all about networking and learning about NEW roots. Founded as a networking group, it seems only fitting to celebrate and embrace networking at that meeting. Invitations will be sent to past members as well as guests, and the opportunities to promote your business

and network will be paramount. As a nod to our roots, newsletters from years past will be making their way onto our website in the coming months as well. And as a teaser, keep your eyes on your inbox, as information on our retreat will be coming soon.

Many more opportunities exist to make the most of your membership. Have you joined a committee? Do you want to get involved in a special project? Would you like to serve as a meeting ambassador? Do you have networking or program ideas? Please share them! Your involvement can be customized to your skills, needs, and time availability. Many projects, large and small, are available, and will allow you to develop deeper relationships with others in our fantastic group. Additionally, if you are interested in serving on the 2013–14 Board, please contact President-Elect Samantha Bond. We pride ourselves on having a diverse board and welcome you to express an interest in joining it.

Don't miss this month's meeting, featuring EWOTY recipient Tonja Brickhouse. She has a truly motivating personal story, and we'll hear about new programs she is spearheading in her position with the City of Tampa.

–Haley Maple, President

During her years in the military, which included being stationed at the Pentagon, in Germany, and at MacDill AFB, she completed a master's degree in public education at Troy University.

Her vision for the city's solid waste and environmental program is simple: to create a dynamic team of professionals recognized as the premier leaders in industry. Totally committed to serving our nation and community, she serves as a member of various boards, associations, and organizations and is a highly engaged community leader.
